## Earls Barton church.

9. Tower viewed from the NW.

10. The triangular headed north doorway in the 3rd stage.

11. West doorway in 3rd stage, and seen in picture 9.

12. Looking up at the south face, gives a good idea of the "3D" effect of the pilaster strips and windows. Note the off-set at each stage, and which clearly seen in pic 9.
